# OUR MISSION

High school player development program for youth baseball players

Next level player development - builds each year

Mavericks baseball culture - by joining the Mavs, you become part of our family. Our organization focuses on training and developing in the sport of baseball and in life. We reinforce high self-esteem, self-motivation, fitness and respect for others.

# PROGRAM OVERVIEW

Established in 2009

11-month program commitment; July - May

Player Development is our focus

We teach baseball, discipline and respect both on and off the field

Levels are based on grade, not age

2 Rosters and 1 Training Squad per grade level

1 Head Coach and 1 Assistant Coach per grade. We also have High School aged assistants.

8th Grade Elite Team

Recreational baseball as well as other multiple sports are encouraged
